

DANCER TRAINING SUPPORT PROGRAM

1. Program Description

The *Dancer Training Support Program* is an indispensable tool for improving the socio-economic conditions of dancers. Since February 1994, the Program has assisted dancers by subsidizing the cost of regular training in diverse techniques throughout the year. This training is essential to the profession, whether the dancer be in a period of rehearsal, performance, unemployment or social assistance. This support takes the form of financial aid paid directly to the dancers upon presentation of their training receipts.

The objectives of the Program are the following:

- to develop the profession of dancing;
- to improve the dancer's socio-economic status;
- to maintain optimum employability;
- to improve and maintain complete fitness;
- to reduce the risk of injuries.

2. Eligibility Requirements

To be eligible for the program, dancers must:

- be a member of RQD;
- meet the admission requirements for their membership category (see 2.1);
- complete an [on-line application form](#)¹;
- forward the required supporting documents to RQD (see 2.1).

After initially applying to RQD, dancers must wait four months before qualifying for the Training Support Program. Any classes, workshops or training memberships purchased during this waiting period are non-refundable.

In the case of membership renewals, the program eligibility takes effect on the date that RQD receives the payment of fees. All dancers must renew their memberships by July 1 in order to avoid any interruption in the processing of claims. If members renew on September 1, the classes, workshops and training memberships purchased between July 1 and August 31 will not be reimbursed.
