

DANCER TRAINING SUPPORT PROGRAM

2011-2012 POLICY

1. OBJECTIVES OF THE PROGRAM

The *Dancer Training Support Program* is an indispensable tool for dancers whose economic conditions are as fragile as they were when the program was created in 1993. Each year, the Program assists dancers by subsidizing the cost of regular training in various techniques and throughout the year. This training is essential to the profession, whether the dancer is in period of rehearsal, show, without employment or in a period of social assistance. This support takes the form of a financial aid paid directly to the dancers upon presentation of their training receipts.

The objectives of the program are the following: to value the profession of dancing; to improve the dancer's socioeconomic status; to maintain optimal employability conditions; to improve and maintain complete fitness and to reduce the risk of injuries.

The 2011-2012 Policy was updated by a committee of professional dancers composed of Johanna Bienaise, Nathalie Blanchet, Catherine Viau and Jamie Wright. It was unanimously adopted by the RQD Board of Directors at the May 19, 2011 meeting.

2. ELIGIBILITY CRITERIA

2.1. PROFESSIONAL INDIVIDUAL MEMBER

To be eligible, the professional individual member must:

- › **Be a member of the RQD for at least four months** (this applies only in the first year of membership);
- › **Be active as a dancer and have a minimum of eight paid performances¹ in Quebec or in Canada in a professional context², over a period of two years.** Each dancer must fill out a registration form and attach copies of contracts or letters of agreement as evidence. Evening programs, posters, tour calendars, websites, and invoices are not considered eligible documentation.

If a dancer does not have a minimum of eight performances, the RQD may consider other paid professional activities accomplished as a dancer, such as the participation in a research or creative process, (a up-to-date CV and copies of contracts must be attached). These activities must total a minimum of 300 paid work hours over two years, and have taken place in a context of research and creation.

Dancers who receive support for their training on a regular basis from their employer (financial support or training classes) are eligible to the Program only during periods of unemployment (upon presentation of an official letter from the employer indicating the break periods or periods on social assistance).

¹ Corporate events and activities that took place in an academic, amateur or semi-professional context will not be recognized in a calculation of the eight performances.

² The professional context refers to organisations primarily involved in creation or presentation. It can include dance companies or collectives, theatres or venues recognized by peers. Included in this definition are events where the dancers are chosen by other dance professionals.

Dancers who have been inactive over a period of two years because of a prolonged work break (pregnancy, maternity leave, injury, accident or illness) are eligible, after evaluation (attach an up-to-date CV, a medical certificate, a birth certificate or other pertinent documentation).

2.2. PROFESSIONAL CORPORATE MEMBER

To be eligible, the professional corporate member must:

- › Be one of the two RQD member delegates;
- › Be active as a dancer/interpreter, and fulfil the requirements of article 2.1

2.3. ASSOCIATE MEMBER

To be eligible, the associate member must:

- › Have completed, within the last three years (2009, 2010 or 2011), an initial training in dance in an superior level training institution or in a training considered equivalent (attach copy of diploma or Attestation of Collegial Studies (ACS) or, for an equivalent training, a CV specifying, in a detailed manner, the courses and workshops taken). Transcripts of grades are not eligible documentation.

3. REIMBURSED TRAINING

Only classes, workshops and training memberships taken in Quebec may be reimbursed³.

Since January 2006, members admitted to the Dancers Training Support Program are covered by CSST in the case of an injury or accident which has occurred during a supervised training and while between work contracts. This is the result of an agreement between CSST and the Ministry of Culture, Communications and the Status of Women.
